Community policing is the most popular policing reform in the United States, and is very popular abroad, but little attention has been paid to just how challenging it has been to implement. Many different stakeholders can lead or participate in championing and implementing such solutions. These include organizations with a health mission, ...

**The Challenges of Implementing Community Policing in the United States**
Community policing is the most popular policing reform in the United States, and is very popular abroad, but little attention has been paid to just how challenging it has been to implement.

**Partners in Promoting Health Equity in Communities**
Oct 21, 2016 · Effective partnerships are essential for community-based solutions for advancing health equity by making it a shared vision and value, increasing the community's capacity to shape outcomes, and fostering multi-sector collaboration. Many different stakeholders can lead or participate in championing and implementing such solutions. These include organizations with a health mission, ...
